

First, We Give Of Ourselves

Giving in Generosity

Kick Off Weekend
October 15 & 16, 2016

Next Saturday and Sunday is **Kick Off Weekend** for our stewardship journey called **First, We Give Of Ourselves**. Along this faith walk, we are exploring what it means to grow in discipleship and share our gifts in response to God's grace in Jesus Christ. This fall, we will consider "*Giving in Generosity*" with an eye towards God's generosity and giving as a model for our own. Plan to be in worship next weekend as we continue our journey and seek new discoveries in the joy and delight of growing as disciples, living each day in God's grace, and sharing gifts in a spirit of generosity.

*Join in the walk as we grow and give
of ourselves in generosity.*
