

First, We Give Of Ourselves

Giving in Grace

“The Gift of God’s Grace”

This is the focus of our congregational conversation this week and is centered on Romans 3:21-24. In this passage from Romans, the Apostle Paul sets out the cornerstone of God’s great love for us. That cornerstone is Christ and God’s rich, abundant, and free gifts of grace in Jesus Christ. As Paul tells us, each of us is sinful and in need of God’s life giving grace. Through faith, we receive the greatest gift we could ever receive, God’s grace. It is this grace, in and through Christ that brings us forgiveness and life.

Grace lies at the foundation of God’s relationship with us and informs how we are to live as God’s people each day. Stewardship is our faithful, joyful, and thankful response as we delight in this rich gift of God’s grace.
