—PROOF OF INSURANCE—

First Lutheran Church will not be liable for any accidents or injuries as a result of the usage of these facilities deemed as a non-sponsored event. Any event that is held for the church, preschool or affiliated function would be precluded from this policy. Therefore, a non-sponsored event would need to provide proof of insurance coverage.

First Lutheran Church's insurance company requires that any non-sponsored event provide the church with a certificate of insurance. This certificate may be obtained through the User's insurance company. It is not a rider, but a certificate that shows the User's Homeowner or Rental insurance policy has liability coverage for the space rental/usage. The Church's insurance company assures us that this is standard practice to issue this certification of coverage.

A certificate of insurance shall be provided to the Church Office at least 1 week prior to the event to be held. No exceptions will be allowed.
