

SEPTEMBER 2025

Tuesday-Thursday 3's Class

WELCOME

Welcome to First Lutheran Preschool! Our preschool provides an environment for your three-year-old to play, learn, listen, enjoy and share experiences. We look forward to spending many happy mornings with your child.

FEELINGS

We all experience a wide range of feelings every day. We will begin our year by talking about ways to tell how others are feeling and how to show and express our own feelings. We'll learn to identify and name our feelings. We are going to brainstorm as a class and use books, songs, play acting, games and projects to learn more about our feelings.

APPLES, RED and CIRCLES

Each month of the year we will focus on a color and a shape. Your children will go beyond recognizing and identifying by learning how colors and shapes play a part in their lives each day. During the month of September, we will emphasize the color red and the circle. We would love for you to help your child find something red to wear to class the week of September 9. We will go on a color walk to find red items, cook with apples and learn through many more fun activities and crafts! We will taste test apples, choose our favorites and graph them. We'll also begin to talk about the fall season. We'll have fun with the books "Best Pet Ever" and "The Watermelon Seed".

WE ARE GROWING

Weighing and measuring will be done in September. We will learn about how big we are and how we grow bigger. We will spend this month learning about each other and getting familiar with all things preschool!

OUTSIDE PLAY

We love our outdoor playground! We plan to play outside if the weather permits. It is also fun to take nature, color and shape walks outside. Please dress your child for outdoor play and apply sunscreen before they come to school.
