

OCTOBER 2025
Monday-Wednesday-Friday AM Class

LETTER F – FALL, FRIENDSHIP, FIRE SAFETY

The week of September 29 – October 3 we will be learning about fire safety. During the week, we will conduct our monthly fire drill and talk about how we stay safe if we have an emergency. We'll also learn about fire extinguishers, sprinklers and more as we go on a scavenger hunt around our building. We do conduct a fire drill once a month and practice a tornado drill twice during the year. The letter F will also have us talking about fall and friendship.

FUN WITH LETTERS Y, P AND H

With each letter we learn about letter sounds, upper and lowercase and use the construction paper letters to practice our cutting skills. We have a focus letter each week but we are always talking about the letters in our names, letters we see on signs and in our books, even letters we find on our clothing or toys. Letter P activities will center around pizza. We'll talk about pizza ingredients (and where they come from), the order of ingredients on pizza and each child will design their perfect pizza. The children will be participating in many patterning activities. Letter H will bring in activities centered around Halloween. We'll learn through bat, spider and ghost projects and everyone will design their own jack-o-lantern faces.

BIRTHDAY CELEBRATIONS

We are excited to celebrate birthdays! We welcome you to bring a store bought, individually prepackaged, PEANUT AND TREE NUT FREE snack to share with classmates. Please let a teacher know in advance if you would like to bring a birthday snack. We look forward to celebrating with them at preschool!

HALLOWEEN

On Friday, October 31 children may wear their costume to preschool. Some children may want to remove their costumes so please send regular clothes in case they would like to change. Please do not send any accessories to costumes (ie: wands, weapons, jewelry). Parents are invited to stay at preschool for the first 5 minutes of class to see the costumes and take pictures.
