

February 2026

Tuesday-Thursday – 3 year olds

PINK AND HEARTS

This month we will look at many shades of the color pink and order them light to dark. We will also experiment with beets and beet juice to see what happens when we mix the juice with white paint. We'll use the newly colored paint for a special project. We will get prepared for Valentine's Day by singing songs, making valentines for those we love and being creative with hearts. We will also sort and classify hearts according to their size and color. We will talk about showing love and kindness to others as we make valentines to share with the homebound people within our church family.

VALENTINE'S DAY

On Thursday, February 12, we will celebrate Valentine's Day during our class time. Children are welcome to bring valentines to share. There are 13 children in our class. You can sign your child's name on the back of the valentine but please do not address the envelope. The children will design valentine bags during class that they will use to hold their valentines.

NURSERY RHYMES AND PAJAMA DAY

We are going to be using nursery rhymes in our learning throughout the month. We'll be able to use our problem-solving skills to help the Queen of Hearts find her stolen tarts. The class will vote on their favorite rhyme of the month and graph the results of our vote. On Thursday, February 26 we will have a PAJAMA DAY! We will cozy up with books and tell stories. Mrs. Ficken will share one of her favorite books *Ten in the Bed* and the children will act out the story. Our project on this day will depend upon the winning nursery rhyme from our class vote.

CONFERENCES

I will plan to have in-person conferences during the week of February 23. A sign up for conference times will be available soon through email. I will offer times in the morning and late afternoon. If you are not interested in an in-person conference, I am happy to send home a written conference report.

REGISTRATION FOR 2026-2027

Registration packets for the upcoming preschool year will be distributed during conference week. If you have a child that is not currently attending preschool that you are interested in enrolling next school year, please let us know so we can make sure to get registration to you.
